

CROP	RATE/HECTARE	CRITICAL COMMENTS
Cereals	6 litres/ha	Apply early-mid tillering.
Legumes	6 litres/ha	Apply pre-flowering or earlier if a deficiency is evident.
Pasture	6 litres/ha	Apply when a deficiency is known to exist.
Fertigation	6-8 litres/ha	Apply during nutritional requirements during last half of watering cycle.

LIQUID MANGANESE-ZINC SULPHATE is suitable for the following crops where a Manganese-Zinc deficiency occurs.

LIQUID FERTILIZER

Manganese Zinc Sulphate

To be used where a Manganese-Zinc deficiency occurs.

GUARANTEED MINIMUM ANALYSIS

Manganese 6.8% W/W

Zinc 6.8% W/W

Sulfur 7.3% W/W

20 Litre 200 Litre 1000 Litre

MANGANESE-ZINC SULPHATE is a foliar applied micro nutrient. It can be used in fertigation.

DIRECTIONS: WHEN TO SPRAY: For maximum effectiveness, spraying should not be carried out when the plant is in active growing state and can more readily absorb nutrients. Early morning or late afternoon spraying is most effective as excessive moisture evaporation can occur during hotter parts of the day.

COMPATIBILITY: Sulphate trace elements are not to be mixed with any other products.

SPRAYING RATE: For foliar spraying through conventional spraying equipment, use a minimum of 150 litres per hectare. When using low volume equipment, 75 litres per hectare is usually sufficient.

CROP SAFETY: Avoid spraying Sulphate trace elements when conditions cause excessive evaporation and leaf burn.

Safety glasses, gloves and protective clothing should be worn when using this product.

CONDITIONS OF SALE: 1) Seller warrants that this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. No one, other than the officer of the Seller, is authorised to make any warranty, guarantee or direction concerning this product. 2) Because the time, place, rate of application and other conditions of use are beyond Seller's control, Seller's liability from handling, storage and use of this product is limited to replacement of product or refund of purchase price.
